## Verse 2

You Stop My World With Just One Smile,  
 Beauty In Your Dimples Drive Me Wild,  
 You Make It All So Worth While,  
 The Way You Walk Through Life With Style.  
 (First Chorus After Verse 2)

## Verse 4

I Finally Got The Nerve To Ask,  
 For Our Freinship To Grow At Last,  
 You Just Couldn't Help But Laugh,  
 And Throw My Heart Right In The Trash.

## Verse 3

I Never Thought I'd Fall This Hard,  
 Serenading Each Other With Yeloowcard,  
 You Lit New Flames Inside My Heart,  
 And Drove Me Crazy From The Start.

## Chorus 3

I Just Wish I Never Said,  
 How I Felt Through All This Pain,  
 I Should've Listened To My Brain,  
 The Distance Was There To Keep Me Safe.

## Chorus 2

I Wish That I Can Finally Say,  
 That I Love You And Feel This Way,  
 I Wish I Could Stop This Brain,  
 Because Maybe Then The Distance Would Break.

## Outro

So Now I Sit Here With This Head,  
 And All The Things Shoul've Stayed Unsaid,  
 There's Just No Way Of Getting Past,  
 The Distance And Our Feelings Cast.
